Dear Parents,

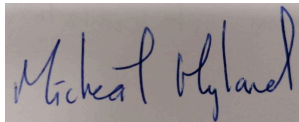

Over the last number of years we have enjoyed running the [school summer programme](#). It has proved to be a valuable addition to our school and a positive benefit to the children who have taken part.

This summer our school is due to undergo a major energy retrofit funded by the EU, RePower programme. You can read more about this programme [here](#). While this is a very positive development for our school we have had to commit to not use the building over the summer holidays. Therefore we will not be in a position to hold the summer programme this year.

A home based summer programme is available but details about this have not been published by the Department of Education yet. Once they are, I will let you know.

Should you require any further information on any of the above please do not hesitate to contact me.

Yours faithfully,

A handwritten signature in blue ink that reads "Micheál Hyland". The signature is written in a cursive style and is contained within a rectangular box.

Mícheál Hyland
Principal
